# Collective Worship Policy

September 2024

Review September 2025

## The Law

The current law is determined by the Education Reform Act 1988, with some requirements deriving from the Education Regulations 1981. In summary the law says this:

- All pupils must attend a daily act of collective worship, except for sixth formers who are allowed to decide for themselves whether to attend;
- The legal framework outlined here applies to maintained LA schools. In schools with a religious character collective worship is governed by the trust deed. Arrangements in free schools and academies is determined by the funding agreement.
- There is no need for an act of collective worship to include the whole school all at once. It may be through year groups, classes, key stages or in any combination.
- It may take place at any time during the school day and should normally be on school premises.
- It must be appropriate to the age, aptitude and family background of pupils.
- Responsibility lies with the head and governors, though the precise duties may vary according to the type of school.
- Details of arrangements for collective worship, including the policy, must be documented and available to the public.

## The value of collective worship

The school sees the time set aside for Collective Worship as being a time for sharing and togetherness; a sharing of knowledge, feelings and experience. It is seen as a time when we foster a sense of belonging to the school, to the wider community of our school and to the society and world in which we live. We aim for our programme of collective worship to enrich the life of school in many ways and try to be creative and imaginative in organising this provision. We believe that collective worship:

- Offers space for the **school community** to learn, grow and celebrate together;
- Provides an opportunity for **personal reflection** on individual life or wider issues;
- Nurtures all aspects of **SMSC development**, especially spiritual development;
- Offers opportunities to develop understanding of diverse faiths and cultures, so contributing to the promotion of **fundamental values**;
- Enables us to meet and engage with the **local community** through participants in assemblies;
- Responds to **topical or local issues** in a flexible and sensitive way;
- Provides chances for pupils and staff to **develop their own abilities** in preparing, presenting or evaluating assemblies.

We see collective worship as an educational opportunity with clear objectives for spiritual development and wider SMSC awareness. We use this time to encourage pupils to:

- Show interest in, and a concern for, members of the school community
- Celebrate special occasions together
- Show concern for the daily happenings in school life, the local community, the wider world
- Share appreciation of worthwhile projects undertaken by groups within the school
- Explore and review the variety of values, attitudes, standards, manifested in religions and society

- Reflect upon dimensions of human life – the wonderful, beautiful, joyful, heroic, humorous, tragic, sorrowful
- Reflect on the way in which humankind has expressed the deepest spiritual feelings, through the creative and expressive arts, scientific discovery, religious practice, service to God and other people.

## **Organisation of Collective Worship**

During the school week there is a daily assembly which includes collective worship. This is built into our programme of assemblies which includes:

- British Values Assembly
- Safeguarding Assembly
- Protected Characteristics Assembly
- Singing Assembly
- Celebration Assembly

In these assemblies, the whole school gather as a collective and share reflection time which is linked to the theme of the assembly. There may be occasions when the themed assemblies are replaced by visitors from the local community or from the wider world.

## **Principles and practice at our school**

These are our key principles in planning collective worship:

- All children will take part in Collective Worship every day.
- All members of staff will be given the opportunity to lead Collective Worship.
- All children will also be given the opportunity to take a lead or to participate.
- Members of appropriate organisations will be invited to share in Collective Worship.
- Themes used will sometimes relate to the cycle of the seasons, the wonders of the world, the deeds of man and the celebration of religious festivals. They will also relate to the children's interests – classroom activities, the interests of the community and values upheld by individuals and other communities.
- The themes will be put forward in a variety of ways, e.g. through story, prose, poetry, drama, art, music, discussion.
- There will be opportunity to recognise the distinctiveness of the many faiths and world views shared in our community.
- The collective worship will include the singing of hymns and songs and opportunities are given, both to join in with and to listen to prayers.
- Time will also be provided for silence and reflection.
- The School will meet sometimes as a whole and sometimes in smaller groups.

## **Reflection and prayer**

Collective worship will include opportunity for reflection. This may include the use of prayers. Sensitivity will always be used to ensure that prayer or other forms of spirituality are as inclusive as possible. Assumptions or assertions about specific doctrinal beliefs may make it difficult for members of some faith communities, or pupils without religious affiliation, to participate. Some

children may reflect the words of the prayer in their own thoughts. Others, with no specific religious faith, will be able to reflect on the theme and the aspiration of the words without necessarily implying belief in a deity or conformity to a particular religious tradition.

## **Visitors**

Visitors can enrich collective worship and build partnership with the local community. We invite members of faith communities, other ethical traditions and community groups to share in the programme. We ensure full safeguarding procedures are in place. Regular visitors to school who have access to children have DBS enhanced disclosure. We will ensure that extremist or intolerant views, of any political or religious kind, will not be allowed in assemblies or elsewhere and we will follow appropriate safeguarding policies as appropriate.

## **Equal Opportunities**

All children have an entitlement to access to collective worship. All children will have access to appropriate resources within the school. These will reflect a multi-cultural society, without stereotyping or discrimination. We are mindful of the need to promote the inclusion of all protected characteristics and all children will be given the opportunity to participate in all activities.

## **Monitoring and evaluation**

This policy and guidance will be monitored and evaluated on a regular basis by all stakeholders of the school including pupils, parents, staff and governors.

## **Withdrawal of pupils**

Parents have a statutory right to withdraw their children from collective worship. However, this would require a discussion with the headteacher before any withdrawal would be agreed. If parents still feels they wish to withdraw their child, the request must then be made in writing to the headteacher. Children who are withdrawn from collective worship will be expected to attend school and complete alternative activities during this time.
