

FOUNDATION 2: LONG TERM PLAN 2025-26

OUR INTENT

At Lawns Park, we want our children to learn the core values of **Positivity**, **Perseverance**, **Patience** and **Politeness**.

At Lawns Park we want our children to show a sense of pride in themselves and respect for others in their immediate school and local community environment. We want our children to have opportunities that will enable them to exercise their growing intellectual and emotional muscles as well as their physical ones. We want them to develop their ability to think, feel, see and understand, do and represent, and express. We want them to imagine, puzzle, wonder, explore, befriend and share. We encourage our parents and carers to work in partnership with us to develop independent, happy, life-long learners, who thrive in school. We want our children and families to have a sense of belonging, working collaboratively and respectfully in our diverse world. We will work collaboratively, drawing upon the support of other professional bodies and agencies to ensure that our curriculum remains, ambitious, purposeful and meets the needs of all our super Lawns Park Learners.

Our school is an amazing place to be, and the staff and children are all very proud to be part of the Lawns Park Team!

The EYFS Team

 	CHARACTERISTICS OF EFFECTIVE LEARNING Playing and exploring: – Children investigate and experience things, and ‘have a go’. Children who actively participate in their own play develop a larger store of information and experiences to draw on which positively supports their learning Active learning: – Children concentrate and keep on trying if they encounter difficulties. They are proud of their own achievements. For children to develop into self-regulating, lifelong learners they are required to take ownership, accept challenges and learn persistence. Creating and thinking critically: – Children develop their own ideas and make links between these ideas. They think flexibly and rationally, drawing on previous experiences which help them to solve problems and reach conclusions.					
	Unique Child: Every child is unique and has the potential to be resilient, capable, confident and self-assured. Positive Relationships: Children flourish with warm, strong & positive partnerships between all staff and parents/carers. This promotes independence across the EYFS curriculum. Children and practitioners are NOT alone – We respect, care for and celebrate each other. Enabling environments: Children learn and develop well in safe and secure environments where routines are established and where adults respond to their individual needs and passions and help them to build upon their learning over time. Learning and Development: Children develop and learn at different rates (not in different ways as it stated 2017). We must be aware of children who need greater support than others. PLAY: We understand that children learn best when they are absorbed, interested and active. We understand that active learning involves other children, adults, objects, ideas, stimuli and events that aim to engage and involve children for sustained periods. We believe that Early Years education should be as practical as possible and therefore , we are proud that our EYFS setting has an underlying ethos of ‘Learning through play. PLAY is essential for children’s development across all areas. Play builds on children’s confidence as they learn to explore, to relate to others around them and develop relationships , set their own goals and solve problems. Children learn by leading their own play and by taking part in play which is guided by adults.’. EYFS Team We will ensure that all children learn and develop well and are kept healthy and safe at ALL times.

COMMUNICATION AND LANGUAGE	The development of children's spoken language underpins all seven areas of learning and development. Children's back-and-forth interactions from an early age form the foundations for language and cognitive development. The number and quality of the conversations they have with adults and peers throughout the day in a language-rich environment is crucial. By commenting on what children are interested in or doing and echoing back what they say with new vocabulary added, practitioners will build children's language effectively. Reading frequently to children, and engaging them actively in stories, non-fiction, rhymes and poems, and then providing them with extensive opportunities to use and embed new words in a range of contexts, will give children the opportunity to thrive. Through conversation, story-telling and role play, where children share their ideas with support and modelling from their teacher, and sensitive questioning that invites them to elaborate, children become comfortable using a rich range of vocabulary and language structures.					
Whole EYFS Focus — C&L is developed throughout the year through high quality interactions, daily group discussions, Circle Time, PSHE times, stories, singing, speech and language interventions (Neli), EYFS productions, and Word Aware. The two strands of Communication and Language are: • Listening, Attention and Understanding • Speaking. Daily story time using high quality texts relating to the current theme or recommendations from children.	In Autumn 1 children will: • Introduce themselves and make new friends. • Use formal greetings: Good Morning/Good Afternoon • Talk about experiences that are familiar to them. • Share their passions and dreams? • Talk about their families and show an interest in the lives of other people • Ask and answer simple questions in response to what they hear. • Follow instructions with support • Learn New Words: • Listen and respond to stories. • Join in with traditional rhymes/songs	In Autumn 2 Children will: • Learn and use new vocabulary (topic words see MTP) • Tell stories through words and actions • Listen, respond to and give opinions about stories. • Begin to follow instructions independently. • Takes part in group discussions • Understand how to listen carefully and why listening is important. • Begin to use past and present tense appropriately with prompts • Participate in a School Performance	In Spring 1 Children will: • Learn and use new vocabulary (topic words see MTP) • Retell a story using some story language/repeated refrains. • Listen, respond to and give opinions on stories • Ask questions to find out more and to check they understand what has been said to them. • Share recent personal experiences. • Sing/say familiar songs, rhymes and poems. • Asks questions to find out more. • Follows two-part instructions with support.	In Spring 2 Children will: • Learn and use new vocabulary (topic words see MTP) • Learn, use and develop simple prepositional language. • Listen to and engage in and talk about selected non-fiction • Begin to articulate ideas and thoughts into more complex sentences • Use talk to make connections, explain and question why things happen. • Follows two-part instructions with greater independence	In Summer1 Children will: • Learn and use new vocabulary (topic words see MTP) • Learn and recite, new poems, rhymes and songs. • Listens to, engages in and talks about personal experiences, events and learning. • I can describe (use adjectives) events in some detail: farm trip, life cycle. • Begins to develop own narratives and explanations based on personal experiences. • Uses more complex sentences when communicating.	In Summer 2 Children will: • Learn and use new vocabulary (topic words see MTP) • Learn, recite and perform all taught poems, rhymes and songs • Talk about similarities and differences between people, objects and events. • I can talk about myself and personal experiences I have had at different points in the school year (end of year video).

LITERACY COMPREHENSION - DEVELOPING A PASSION FOR READING CHILDREN WILL VISIT THE LIBRARY WEEKLY WORD READING CHILDREN WILL BEGIN BY READING/RECOGNIZING FAMILIAR LOGOS AND USING ILLUSTRATIONS TO HELP THEM TELL THE STORY BEFORE MOVING ONTO MORE FOCUSED 'WORD' READING	It is crucial for children to develop a life-long love of reading . Reading consists of two dimensions: language comprehension and word reading . Language comprehension (necessary for both reading and writing) starts from birth. It only develops when adults talk with children about the world around them and the books (stories and non-fiction) they read with them, and enjoy rhymes, poems and songs together . Skilled word reading, taught later, involves both the speedy working out of the pronunciation of unfamiliar printed words (decoding) and the speedy recognition of familiar printed words . Writing involves transcription (spelling and handwriting) and composition (articulating ideas and structuring them in speech, before writing)											
	In Autumn Term Children will: - Talk about and shares favourite stories from home - Repeat some phrases from favourite stories - Begin to look at and talk about books with an adult - Fill in missing words in poems and rhymes. - Talk about pictures and words they see around - Learn how to handle books properly - Be introduced to the 'parts of a book.' - Begin to learn to identify fiction/non fiction books - Be introduced to the 'concept of word.'				In Spring Term children will: - Listen to and begins to join in with favourite stories, rhymes and poems, including nonsense rhymes - Begin to show awareness of rhythm - Begin to make predictions and talk about what has happened in the story - Use the illustrations to help them read books. - Begin to understand stories have a beginning a middle and an end. - Begin to name the parts of a book - Begin to understand that information can be retrieved from books. - Begin to find taught graphemes in texts.				In Summer 1 Children will: - Join in with repeated refrains, anticipating key events in rhymes and stories - Demonstrate reading like behaviours; looking at books independently, handling them with care and correct orientation, understanding that print carries meaning and is read from left-right in English. - Enjoy and join in with rhyming and rhythmic activities such as continuing rhyming strings. - Begin to blend sounds, orally - Begin to say initial sounds in some words. - Begin to match some sounds (phonemes) to letters (graphemes) - Recognise own name/Begin to read some irregular words I, the

MATHS Following White Rose Maths HALF TERM MATHS ASSESSMENTS WILL TAKE PLACE IN THE FORM OF A SET CHALLENGE	Developing a strong grounding in number is essential so that all children develop the necessary building blocks to excel mathematically. Children should be able to count confidently, develop a deep understanding of the numbers to 10, the relationships between them and the patterns within those numbers. By providing frequent and varied opportunities to build and apply this understanding – such as using manipulatives, including small pebbles and tens frames for organising counting – children will develop a secure base of knowledge and vocabulary from which mastery of mathematics is built. In addition, it is important that the curriculum includes rich opportunities for children to develop their spatial reasoning skills across all areas of mathematics including shape, space and measures. It is important that children develop positive attitudes and interests in mathematics, look for patterns and relationships, spot connections, 'have a go', talk to adults and peers about what they notice and not be afraid to make mistakes.					
	Autumn 1 Getting To Know You (1 week) Baseline Assessments Match, Sort and Compare (2 weeks) Matching, sorting, identifying sets, Sorting by type, creating rules, comparing amounts. Talk about Measure and Pattern (2 weeks) Compare size, mass, capacity, explore simple patterns, Copy and continue patterns, create patterns. It's me 1, 2, 3 (2 weeks) Find 1, 2, 3, Subitise 1, 2, 3, Represent 1, 2, 3, 1 more, 1 less, Composition of 1, 2, 3. Autumn 2 Circles and triangles (1 week) Identify, name, compare circles and triangles, Shapes in the environment, Describe position 1, 2, 3, 4, 5 (2 weeks) Find, subitise, represent 4/5, 1 more, 1 less,, Composition of 4/ 5, Composition of 1-5 Shapes with 4 sides (2 weeks) Identify and name shapes with 4 sides, Combine shapes with 4 sides, Shapes in the environment, My day and night.		Spring 1 Alive in 5 (2 weeks) Introducing zero, Finding, subitising, representing 0-5, 1 more/ less, Composition, Conceptual subitising to 5. Mass and Capacity (1 week) Compare mass, Find a balance, explore/ compare capacity Growing 6, 7, 8(2 weeks) Find/ Represent 6, 7, 8, 1 more/less, Composition 6, 7, 8 Make pairs odd and even, Double to 8 *Find a double) Spring 2 Length, Height, Time (2 weeks) Explore , compare length/ height, Talk about time, Sequence time Building 9 and 10 (3 weeks) Find, compare, represent 9/10, Conceptual subitising to 10 1 more/less, Composition to 10, Bonds to 10 (2 parts), Making arrangements to 10, Bonds to 10 (3 parts) Doubles to 10 (Find a double)(Make a double) Explore Odd and Even.		Summer 1 To 20 and beyond (2 weeks) Build numbers beyond 10 (10-13), Continue patters beyond 10 (10-13) Build numbers beyond 10 (14-20) Continue patterns beyond 10 (14-20) Verbal counting beyond 20, verbal counting patterns How many now?(1 week) Add more, How many did I add? Take away, How many did I take away? Manipulate, compose and decompose (2 weeks) Select shapes for purpose, rotate shapes, manipulate shapes Explain shape arrangements, compose/ decompose shapes, copy 2d shape pictures, Find 2d shapes within 3d shapes. Summer 2 Sharing and Grouping (2 weeks) Exploring sharing and grouping Even and odd sharing, Play with and build doubles Visualise, build and map(3 weeks) Identify units of pattern, create and explore own pattern rules, Replicate and build, visualise from different positions Describe position, give instructions to build, Explore mapping, represent maps with models, create maps and plans. Make Connections (1 week) Deepen Understanding Patterns and relationships.

	AUTUMN 1	AUTUMN 2	SPRING 1	SPRING 2	SUMMER 1	SUMMER 2
GENERAL THEMES	SUPER LAWN'S PARKERS	LET'S CELEBRATE!	ONCE UPON A,,, POEM	WHERE IN THE WORLD?	WHAT'S GROWING ON...?	WONDERFUL ME
EXPRESSIVE ARTS AND DESIGN PAINTING, 3D MODELLING, MESSY PLAY, COLLAGE, CUTTING, DRAMA, ROLE PLAY, THREADING, MOVING TO MUSIC, CLAY SCULPTURES, FOLLOWING MUSIC PATTERNS WITH INSTRUMENTS, SINGING SONGS LINKED TO TOPICS, MAKING INSTRUMENTS, PERCUSSION. WORK WILL BE DISPLAYED IN THE CLASSROOM LOTS OF LINKS TO FINE MOTOR SKILLS. CHILDREN TO SHARE THEIR OPINIONS AND EXPLAIN THEIR WORK TO OTHERS. CHILDREN WILL HAVE OPPORTUNITIES TO LEARN AND PERFORM SONGS, NURSERY RHYMES AND POETRY LINKED TO THEIR WORK / INTERESTS AND PASSIONS.	The development of children's artistic and cultural awareness supports their imagination and creativity. It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials. The quality and variety of what children see, hear and participate in is crucial for developing their understanding, self-expression, vocabulary and ability to communicate through the arts. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe. Give children an insight into new musical worlds. Invite musicians in to play music to children and talk about it. Encourage children to listen attentively to music. Discuss changes and patterns as a piece of music develops.					
	In Autumn 1 children will: - Join in with songs - begin to mix colours - Build stories around toys (small world) use available props to support role play - Build models using construction equipment. Making own houses. - Explore with junk modelling and explain what they did. - Explore with sounds and how they can be changed, Tap out simple rhythms. - Play pitch matching games, humming or singing - Draw a self-portrait (enclosing lines): Create drama through literacy - Be Introduced to Artist Studies: Picasso /Kandinsky Skills: Introduce how to use tools and equipment — Using lines to paint/draw portraits/shapes Reflect, adapt and improve.	In Autumn 2 children will: - Use different textures and materials: firework pictures - Listen to music: making own dances in response - Create Diwali patterns. - Create Christmas decorations, cards Christmas songs/poems - Explore with different techniques for joining materials- using adhesive tape and glue - Participate in performing The Nativity - Be introduced to the artists: Andy Goldsworthy/Vincent Van Gogh and produce a piece of artwork using his artist style as a stimulus Skills: Colour mixing/natural sculpture (making arrangements) Printing- Autumnal art Oracy/presenting/singing Reflect, adapt and improve.	In Spring 1 children will: - Explore settings/landscapes/textures – Discuss artist. Henri Matisse: Collage (skills: cutting/tearing/folding/layering) Create our own matisse inspired artwork. - Make lanterns, Chinese writing, puppet making, Chinese music and composition - Recognise, create and describe pattern: - Use story maps, props, puppets & story bags will encourage children to retell, invent and adapt stories. - Create drama through literacy. Skills: Collage (tearing, cutting, folding and layering). Reflect, adapt and improve.	In Spring 1 children will: - Print and Colour Mix /Photography- making patterns using different colours/materials - Study Thandive Muriu – Photography –Creating traditional African prints/patterns then adding photos to our patterns. Explore printing and create artwork based on African Art - Learn a traditional African song and dance and perform it / - Create musical instruments– Drums? - Explore other countries and create drama through literacy Skills: Printing: exploring pattern Using Scissors to Cut Following a rhythm/beat Reflect, adapt and improve.	In Summer 1 children will: - Study: Natsumi Tamita's Sculpture: They will fix and Join as they create farm Animals using junk materials - Construct with a range of material. - Create sounds/sound effects using Musical /home made instruments - Create drama through literacy Skills: Fixing and Joining Using scissors to cut Hole punches/sticky tape etc Reflect, adapt and improve.	In Summer 21 children will: - Paint self portraits using: water colours/ shading by adding black or white - Explore colour mixing – Representing feelings through colour - Use loose parts to create Self Portraits - Explore how Music and Dance. make you feel - Study the artist John Constable –Cloud Studies How do we produce these effects / Textures - Create Drama representing: Feelings: taking photos of children acting out emotions Skills: Colour Mixing – Light/dark/shadow etc Painting: Portraits Reflect, adapt and improve.

FOUNDATION 2 LONG TERM PLAN 2026-27

	AUTUMN 1	AUTUMN 2	SPRING 1	SPRING 2	SUMMER 1	SUMMER 2
GENERAL THEMES	SUPER LAWN PARKERS	LET’S CELEBRATE!	ONCE UPON A,,, POEM	WHERE IN THE WORLD	WHAT’S GROWING ON?	WONDERFUL ME!
PERSONAL, SOCIAL AND EMOTIONAL DEVELOPMENT	Children’s personal, social and emotional development (PSED) is crucial for children to lead healthy and happy lives , and is fundamental to their cognitive development. Underpinning their personal development are the important attachments that shape their social world . Strong, warm and supportive relationships with adults enable children to learn how to understand their own feelings and those of others . Children should be supported to manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, to persist and wait for what they want and direct attention as necessary. Through adult modelling and guidance, they will learn how to look after their bodies, including healthy eating , and manage personal needs independently. Through supported interaction with other children, they learn how to make good friendships, co-operate and resolve conflicts peaceably. These attributes will provide a secure platform from which children can achieve at school and in later life . At Lawns Park we use Zones of Regulation to help our children understand and manage their thoughts, feelings and behaviours.					
PSED IS DEVELOPED THROUGHOUT THE YEAR THROUGH HIGH QUALITY INTERACTIONS, DAILY GROUP DISCUSSIONS, CIRCLE TIME, PSHE TIMES AND NURTURE STYLE INTERVENTIONS WHERE APPROPRIATE. THE THREE STRANDS OF PSED ARE: • MANAGING SELF • SELF REGULATION • BUILDING RELATIONSHIPS	In the Autumn term children will: • Share information about themselves and their family (BR) • Begin to recognise and talk about similarities between people (BR) • Have an understanding of what it means to be respectful and to be treated with respect (BR) • Recognise and talk about how they celebrate events, noticing similarities and difference between other communities. (BR) • Know and understand that some actions and words can hurt others feelings. (BR) • Know about and use strategies to manage and resolve conflict (BR) • Develop strategies for making friends (BR) • Recognise themselves as an individual and talk about the qualities that make them special (MS) • Begin to recognise themselves as a learner, talking about and developing self help skills (MS) • Know how to manage personal hygiene and its importance (Hand washing) (MS) • Begin to understand and follow classroom rules and behaviour expectations. (MS) • Recognise and understand people who can help them at home and in school. (SR) • Develop language related to feelings in response to new experiences (starting school) (SR) • Begin to develop strategies for coping with ‘not so good feelings’, knowing some self-care techniques) (SR) • Develop kindness, care and respect for the other members of the class (SR) • Be independent in following classroom routines including bathroom and preparation for outdoor learning (SR) Begin to understand DEMOCRACY Kapow Themes: Building Relationships/ Special relationships Self- regulation/ My Feelings		In Spring term children will: • Recognise and talk about the things they are good at and the things they want to improve (MS) • Develop confidence in trying new things/ learning new skills (MS) • Take responsibility for classroom tasks and routines (MS) • Develop and understanding an awareness of resilience when things go wrong (SR) • Recognise their personal feelings, developing strategies for dealing with positive and negative emotions. (SR) • Recognise and empathise with the feelings of others (BR) • Know what makes a good friend, showing care and concern for others. (BR) Kapow Themes: Listening and following Instructions My family and Friends		In Summer term children will: • Recognise and understand the importance of diet, hygiene and exercise for a healthy lifestyle (MS) • Have an understanding and awareness of lifecycles in relation to humans and animals • Be kind to all living creatures • Recognise and talk about how their bodies have grown and changed since being born. • Recognise and talk about ways to keep themselves safe; inside/ outdoors and online • Recognise and talk about people who help to keep me safe • Recognise and talk about right and wrong, understanding ways to deal with conflict (SR) Kapow Themes: Taking on Challenges My Wellbeing	
	Early learning Goals: Show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly. Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate. Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions. * Controlling own feelings and behaviours *Applying personalised strategies to return to a state of calm *Being able to curb impulsive behaviours *Being able to concentrate on a task *Being able to ignore distractions *Behaving in ways that are pro-social *Planning *Thinking before acting *Delaying gratification * Persisting in the face of difficulty

PHYSICAL DEVELOPMENT FINE MOTOR CONTINUOUSLY CHECK THE PROCESS OF CHILDREN’S HANDWRITING (PENCIL GRIP AND LETTER FORMATION, INCLUDING DIRECTIONALITY). PROVIDE EXTRA HELP AND GUIDANCE WHEN NEEDED. DAILY OPPORTUNITIES FOR FINE MOTOR ACTIVITIES GROSS MOTOR WEEKLY BRAIN BREAKS DOUGH DISCO SQUIGGLE	Physical activity is vital in children’s all-round development, enabling them to pursue happy, healthy and active lives . Gross and fine motor experiences develop incrementally throughout early childhood, starting with sensory explorations and the development of a child’s strength, co-ordination and positional awareness through tummy time, crawling and play movement with both objects and adults. By creating games and providing opportunities for play both indoors and outdoors, adults can support children to develop their core strength, stability, balance, spatial awareness , co-ordination and agility. Gross motor skills provide the foundation for developing healthy bodies and social and emotional well-being. Fine motor control and precision helps with hand-eye co-ordination , which is later linked to early literacy . Repeated and varied opportunities to explore and play with small world activities, puzzles, arts and crafts and the practice of using small tools, with feedback and support from adults, allow children to develop proficiency, control and confidence .					
	In the Autumn term children will: • Thread and weave using a fine pincer grasp • Snip and cut paper • Squash, squeeze, roll, pinch, press modelling materials to change their shape. • Draw lines and circles using anticlockwise movements, retracing vertical lines • Begin to form familiar and taught letters correctly • Dress and undress managing simple fastening independently. • Explore with a range of mark- making tools. Using them with purpose and intention • Draw simple representations • Use emergent letter shapes in their independent writing. • Show preference for a dominant hand. • Build and balance with large blocks		In the Spring term children will: • Cut and shape paper, cutting along a straight, curved, pointy line • Shape and mould modelling materials to change its form • Use a fine pincer grasp when tearing paper • Use a fine pincer grasp to transfer small objects from one vessel to another • Use a range of one-handed tools- hole punch, stapler, tweezers • Consolidate and refine taught letter formation, , beginning to sit writing on a line. • Hold pencils with a comfortable grip forming recognizable letters, most being correctly formed. • Draw detailed images including finer facial details/ body parts when drawing people/ animals. • Manage fastenings such as zips and buttons when dressing and undressing • Build and balance with small blocks		In the summer term children will • Tear, snip, cut and shape paper using scissors • Use and hold pencils in a secure tripod grip, forming letters correctly , sitting them on a line. • Use one hand consistently and independently for fine motor tasks • Draw detailed images, colouring within the lines • Draw shapes • Build and construct with smaller construction kits such as Lego	
	CONTINUOUS PROVISION; Cooperation games i.e. parachute games, Climbing – outdoor equipment., Help individual children to develop good personal hygiene, . Provide regular reminders about thorough handwashing and toileting. Crates play-climbing, Provide a range of wheeled resources for children to balance, sit or ride on, or pull and push. Two-wheeled balance bikes and, skateboards, wheelbarrows, prams and carts are all good options From Development Matters 21: Revise and refine the fundamental movement skills they have already acquired: – rolling – crawling – walking – jumping – running – hopping – skipping – climbing Progress towards a more fluent style of moving, with developing control and grace. Develop the overall body strength, co-ordination, balance and agility needed to engage successfully with future physical education sessions and other physical disciplines including dance, gymnastics, sport and swimming. Develop their small motor skills so that they can use a range of tools competently, safely and confidently. Suggested tools: pencils for drawing and writing, paintbrushes, scissors, knives, forks and spoons. Use their core muscle strength to achieve a good posture when sitting at a table or sitting on the floor. Confidently and safely use a range of large and small apparatus indoors and outside, alone and in a group. Develop overall body-strength, balance, co-ordination and agility. Further develop and refine a range of ball skills including: throwing, catching, kicking, passing, batting, and aiming. Develop confidence, competence, precision and accuracy when engaging in activities that involve a ball.					

FOUNDATION 2 LONG TERM PLAN 2026-27

		AUTUMN 1	AUTUMN 2	SPRING 1	SPRING 2	SUMMER 1	SUMMER 2
GENERAL THEMES		SUPER LAWN PARKERS	CELEBRATIONS!	ONCE UPON A ... POEM	WHERE IN THE WORLD	WHAT'S GROWING ON?	WONDERFUL ME!
UNDERSTANDING THE WORLD RE / FESTIVALS Observing and measuring Making predictions Hypothesising Ask questions Look at evidence that supports/refutes ideas WE ENABLE CHILDREN TO DEVELOP A POSITIVE SENSE OF THEMSELVES AND OTHERS AND LEARN HOW TO FORM POSITIVE AND RESPECTFUL RELATIONSHIPS. THEY WILL BEGIN TO UNDERSTAND AND VALUE THE DIFFERENCES OF INDIVIDUALS AND GROUPS WITHIN THEIR OWN COMMUNITY. CHILDREN WILL HAVE OPPORTUNITY TO DEVELOP THEIR EMERGING MORAL AND CULTURAL AWARENESS.		In Autumn Term Children will: People and Communities - Show understanding of family by imitating scenes in play - Begin to explore and develop friendships - Explore celebrations, traditions and cultures – sharing their own The World - Explore with small world equipment, showing interest in animals, plants and places - Notice differences and changes in the world around them – Seasonal change - Notice and name things in the places they live and play Technology - Show interest in technology and show a desire to acquire skills– looking for switches, asking how something works REFLECTION TIME DAILY		In Spring Term Children will: People and Communities Talk about significant things in their life (present/past) Show interest in the things people do (jobs) The World Make comments about the place where they live and play Talk about things they have seen and experienced – Make comparisons with other parts of the world. Technology Know how to operate simple equipment Eg CD player, take a photograph Explore with remote controls, buttons, knobs and pulleys to make things work REFLECTION TIME DAILY		In Summer Term Children will: People and Communities Begin to know some of the things that make them unique Begin to share and talk about times and people that are special to them Begin to recognise similarities and differences in the ways they and others celebrate and live. The World Begin to talk about why things happen and how things work. (Sc) Begin to talk about where they live, its features and the things they do/ don't like (Geog) Natural or man-made Technology Use ICT hardware– ipads for photographs Use art software on Smart to create images and artwork REFLECTION TIME DAILY	
		- Tell us all about you... Which people are special to you, why? - Being special: where do we belong? - Family – past and present – Family trees. - Being part of the Lawns Park family - Which stories are special, why?	Autumn (seasonal change) / Christmas / Diwali / Weather / Consider the history behind some celebrations: History – Toys. What did your parents/ grandparents get for Christmas? (KSI Prep)	- Chinese new year - Science: Changes in materials – Baking Floating and sinking: – materials History: Castles/Kings & Queens (KSI prep)	- Easter - Seasonal Change - Where in the world does our food come from - Comparing countries/cultures	- What is special about our world? - Awe and wonder: growth and change of animals - Life Cycles (KSI prep) - Whose Baby – Animals	- What is special about our world? - Weather – seashores (KSI Prep) - How have I changed

FOUNDATION 2 LONG TERM PLAN 25-26

EARLY LEARNING GOALS – FOR THE **END OF THE YEAR** - HOLISTIC / BEST FIT JUDGEMENT!

 COMMUNICATION AND LANGUAGE	 PERSONAL, SOCIAL, EMOTIONAL DEVELOPMENT	 PHYSICAL DEVELOPMENT	 LITERACY	 MATHS	 UNDERSTANDING THE WORLD	 EXPRESSIVE ARTS AND DESIGN
ELG: Listening, Attention and Understanding Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions Make comments about what they have heard and ask questions to clarify their understanding Hold conversation when engaged in back-and-forth exchanges with their teacher and peers ELG: Speaking Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary. Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate. Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher.	ELG: Self-Regulation Show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly. Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate. Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions. ELG: Managing Self Be confident to try new activities and show independence, resilience and perseverance in the face of challenge. Explain the reasons for rules, know right from wrong and try to behave accordingly. Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices. ELG: Building Relationships Work and play cooperatively and take turns with others. Form positive attachments to adults and friendships with peers. Show sensitivity to their own and to others' needs.	ELG: Gross Motor Skills Negotiate space and obstacles safely, with consideration for themselves and others. Demonstrate strength, balance and coordination when playing. Move energetically, such as running, jumping, dancing, hopping, skipping and climbing. ELG: Fine Motor Skills Hold a pencil effectively in preparation for fluent writing – using the tripod grip in almost all cases. Use a range of small tools, including scissors, paint brushes and cutlery. Begin to show accuracy and care when drawing.	ELG: Comprehension Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary. Anticipate – where appropriate – key events in stories. Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play. ELG: Word Reading Say a sound for each letter in the alphabet and at least 10 digraphs. Read words consistent with their phonic knowledge by sound-blending. Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words. ELG: Writing Write recognisable letters, most of which are correctly formed. Spell words by identifying sounds in them and representing the sounds it a letter or letters. Write simple phrases and sentences that can be read by others.	ELG: Number Have a deep understanding of number to 10, including the composition of each number; Subitize (recognise quantities without counting) up to 5; – Automatically recall (without reference to rhymes, counting or other aids) number bonds up to 5 (including subtraction facts) and some number bonds to 10, including double facts. ELG: Numerical Patterns Verbally count beyond 20, recognising the pattern of the counting system; – Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity. Explore and represent patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally.	ELG: Past and Present Talk about the lives of the people around them and their roles in society. Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class. Understand the past through settings, characters and events encountered in books read in class and storytelling. ELG: People, Culture and Communities Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps. Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class. Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and – when appropriate – maps. ELG: The Natural World Explore the natural world around them, making observations and drawing pictures of animals and plants. Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class. Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.	ELG: Creating with Materials Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. Share their creations, explaining the process they have used; – Make use of props and materials when role playing characters in narratives and stories. ELG: Being Imaginative and Expressive Invent, adapt and recount narratives and stories with peers and their teacher. Sing a range of well-known nursery rhymes and songs; Perform songs, rhymes, poems and stories with others, and – when appropriate – try to move in time with music.
